MOTHERS AWAY FROM HOME: OPEN ARMS & OPEN HEARTS!!

Jack and Jill Associates from the Boston Chapter know the joys and challenges of sending a precious son or daughter off to college, often across many miles. Our area boasts so many different and distinctive colleges: public and private; large and small; rural and urban; and just about everything in-between! New England's got 'em all! And we know many of the new freshmen arriving on local campuses are former Jacks and Jills.

The Boston Associate Group invites you to participate in *Mothers Away From Home (MAFH)*, a national project for us former J&J moms. We stand ready, willing, able and absolutely thrilled to offer your Boston-area young college man or woman something truly special: an extra smile, warm hug or words of support from a trusted, friendly, "second mom." MAFH offers each student a chance to connect with each woman in a way that works best for the relationship. And, we're also really excited to plan a group social activity for participating students, strengthening J&J bonds and making even more college memories!

Step 1: Visit the national website [<http://jackandjillinc.org/>], log in, find the Associate link in the Eastern Region section and register your son or daughter to participate.

Step 2: National officers and Executive HQ staff will contact us when authorization is completed.

Step 3: Your student will be assigned to a special Associate.....let the fun begin!
